PROFESSIONAL SUMMARY

Newly minted junior web developer making a career transition from Health Care to Information Technology. Completed the Savvy Coders 12 week Full Stack Web Development and will continue to take coding classes to further her new skillsets. Known for being a team player with compassion and empathy for others.

TECHNICAL SKILLS

JavaScript, HTML, CSS, Trello, Git, Mongo, Node.js, Express

CONTINUING EDUCATION

Savvy Coders 12 Week Full Stack Development Boot Camp – 2020
Agile Certification – 2020

CAPSTONE PROJECT:

I've created a time management website which will act as a daily scheduler. It contains a calendar for daily, weekly, and monthly activities. It will alert to overlaps when someone tries to schedule concurrent activities. This is created with busy moms like me in mind!

EDUCATION

STL Training (through SLATE) – St. Louis, MO
Certified Medication Technician – Graduated March 20, 2018

SWIHTSA - Evansville, IN Certified Nursing Aide Certificate 2016

CNA Certification
